Safety Door Edges

The Cedes Mini 32 Microlight Electronic Door Edge is a direct replacement for the Janus Pana 40 Plus 740 Door Edge and the Janus Pana Plus 640 Door Edge. This electronic door edge provides full-area safeguarding of elevator doors using a dense monitoring area of 154 light beams. These criss-cross light beams remain fully active until the doors are completely closed.

Additional Features:

- Low power consumption
- Flexible cable is designed for 20 million door movements
- Insensitive to ambient light up to >100,000 Lux
- Easy installation and optical alignment

**Cedes Mini 32 Microlight Electronic Door Edge with Power Supply
Part # 9831770**
