Reduce Noise and Vibration

Our exclusive silencer is designed to suppress the sound and pulsation in your hydraulic elevator system, and it contributes to the overall dependability of the power unit.

Available in 2" and 3", they are easily installed and provide maintenance-free operation.

2" Silencer – Part #9817529

2" Silencer with Victaulic – Part #9817843

3" Silencer – Part #9817542
